## Membership Application Form

ATOM QLD INC is a professional association for media teachers. We focus our attention on Queensland curriculum matters while also sharing classroom resources and general insights into current directions and issues in media education through:

- organising relevant **professional development** activities for our members including partnerships with Cinesparks, Australian Children's Television Foundation, Film Australia and Dendy Brisbane
- providing professional practice **sharing opportunities** through an ATOMQ members site, our on-line email network and regular swap-shop meetings
- regular **updates** on competition opportunities and free screenings/previews for movies
- discounted subscription to **Screen Education** and **Metro Magazine** with membership
